27 June 1960

MEMORANDUM FOR THE RECORD

SUBJECT: Concurrence in Amendment No. 18 to Contract No.
PO-660 with Eastman Kodak Company, Project CHALICE

1. This memorandum contains a recommendation submitted for concurrence of the undersigned. Such recommendation is contained in Paragraph 5.

2. Contract No. PO-660 and Amendments Nos. 1 through 17 thereto provide for the furnishing of all necessary labor and incidental materials required to operate and maintain the film processing plant at Rochester, New York. Amendment No. 18 has been drawn to increase the amount of Project CORONA funds allocated to the contract for the period 1 July 1959 to 30 June 1960.

3. Amendment No. 18 to Contract No. PO-660 obligates an additional \$4,069 chargeable to Fiscal Year 1960 CORONA funds. This contractual action is authorized by Activity Program COR-0855 dated 22 June 1960. By concurrence to this memorandum the Comptroller signifies that sufficient funds are available for this obligation.

4. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956 which, in effect, results in all covert expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 8(b) of Public Law 110, 81st Congress (formerly 10(b) see 85-507 dtd. 7/7/58) for each contract.
